About the Conference

The NABSA Annual Conference is the leading global venue for bikeshare, shared micromobility, and transportation leaders, practitioners, equipment providers to tackle important issues facing the industry. Join us for the 2021 Rolling With It: Empowering Shared Micromobility Virtual Conference to learn, network, and chart the future of shared micromobility.

The two-day conference serves as a convening space for shared micromobility professionals and features a variety of topics and speakers. Participants will have access to keynote presentations, breakout sessions on topics ranging from transit integration to climate impact, a virtual exhibitor booth, and networking opportunities.
